

2018 Membership & Insurance

New for the 2018 Fall Season we will be changing how teams are charged for their membership fees and how we collect the money. The prices have not changed but the process on how we charge the teams will be improved to ensure all teams are paying on time and are paying for a more accurate number of team members.

All teams will be charged a flat rate based on pre-determined number of players and volunteers. Once final participate numbers are submitted the teams will be charged additional fees or will receive a refund.

All teams must pay their fees before any on-field team activities can begin. Minor Team fees are due August 16th and High School fees are due September 7th. Leagues that start later than Provincial Criteria dates may apply for a different deadline. A late fee of \$125.00 will be charged if you play a game without proper approval from the Football Alberta office.
