

2019 Membership & Insurance

For the 2019 Season we will again be invoicing teams based on a pre-determined number of players and personnel. Once the final number of participants is submitted, teams will be charged additional fees or will receive a refund. For 2019, we have increased the per person fees in both tackle and flag. The reason for the increase is that Football Canada has increased the membership fees and they require all our members to also be members of Football Canada. The rates per team have stayed the same, and the per person cost for insurance is now \$38/person for tackle and \$15/person for flag.

All teams must pay their fees before any on-field team activities can begin. Minor Team fees are due August 16th and High School fees are due September 6th. Leagues that start later than Provincial Criteria dates may apply for a different deadline. A late fee of \$125.00 will be charged if you play a game without proper approval from the Football Alberta office.
