A) Current Year Schedule

B) History of Championship Games

C) Incident Report Form
Football Alberta Minor Provincials
Policies and Procedures

1.0 History and Vision

1.1 History
In 1991 a gathering of bantam league champions was held in Lacombe for the purposes of starting a post-season for minor football. That tournament was won by the Raymond Jr. Comets. Two years later in 1993 the first Football Alberta sanctioned Bantam Provincial Championship was held between the Champions of the Capital District Bantam Football Association and the Southern Alberta Minor Football Association. That game was won 29-12 by the Raymond Jr. Comets over the Leduc Ti-Cats. Both of these initial events spurred on the development of an Alberta wide playoff system for Minor Football.

In 1996 Football Alberta mandated age eligibility rules across the province to eliminate disparities between the leagues and everyone save for Red Deer Minor bought in thus creating a province-wide provincial playoff system which now included playoffs at Pee-Wee. In 2004 with the disbanding of Red Deer Minor and the creation of the Central Alberta Minor Football League the entire province was now represented and a new tiering system was designed for Provincials which saw the big three leagues (Capital District, Calgary, and Southern Alberta) send teams at three levels of bantam and two levels of pee-wee.

The rural leagues then sent their champions in at lower levels than Tier I for a more competitive opportunity. In 2006 a third level of pee-wee was added and in 2008 a fourth tier was added at both pee-wee and bantam. In 2014, both Bantam and Pee-Wee were limited to three tiers and Atom was dropped due to LTAD concerns.

1.2 Vision
It is the intent of Minor Provincials offered through Football Alberta to meet three needs:
- To promote the sport through intra-provincial competition and building bonds between the minor leagues throughout Alberta
- To drive the aspirations of elite oriented programs towards excellence on field while still providing for other levels of play to participate.
- To assist in making football the place to be for 15 year old and underathletes.

Football Alberta’s role will be to coordinate the cooperation of the minor leagues in the province in hosting Provincials Playoff and Championship Games.

2.0 Age Eligibility

2.1 Categories of play for Minor Provincials
Bantam – ages 15* and under as of the calendar year (Jan. 1 – Dec. 31).
* - Anyone who is age eligible yet registered to enter Grade 10 or higher during the season of play would be ineligible for play at the bantam level. As well, anyone age eligible and currently registered to enter Grade 9 or lower during the season of play who is also registered to play on a high school team (Junior Varsity included) would be ineligible for play at the bantam level.

Pee-Wee – ages 12 and under as of the calendar year (Jan. 1 – Dec. 31)

2.2 League Exceptions
Member Leagues are free to impose stricter eligibility guidelines on their registered athletes that may include weight limits, roster size limits, and positional constraints, however in doing so they take on all liability for those decisions. They may not circumvent the above listed age limits (and other requirement of the bantam level) which would render themselves ineligible for Provincial play.
3.0 League Qualifier’s for Provincials

3.1 Member league eligibility to send teams to Provincials:
The league applying to send teams to Provincial play at any level (i.e bantam and pee-wee) must have all their member teams as registered and paid up members (including taking out the insurance) of Football Alberta by September 30 of each season. They also must pay the entry fee as determined by Football Alberta for each team they will be sending to Provincials by September 30 of each season. The minimum number of teams considered to be an eligible league is four teams and the league must conduct a playoff as per Section 3.6 and crown a league champion. The Tier’s to which a member league may send teams too is determined by the Football Alberta Minor Football Committee at the December Planning Meeting each year following that years Provincial Playoffs when the Tentative Schedule is set.

3.2 School based minor teams
Any exception regarding teams who do not wish to take out Football Alberta’s insurance for school based minor football teams due to having insurance through the school is not allowed. All teams and players must be fully registered with Football Alberta and take out the insurance to be eligible for Provincial play.

3.3 Number of teams a league may send to provincials
The number of teams a member league may send to provincials at any level is based on the criteria determined by the Minor Football Committee of Football Alberta. The number of teams at this time is limited to teams going to a maximum of two Tiers from each league. The formula is as follows:

Leagues with 16 or more teams will field teams in two Tiers
Leagues with 12-15 teams may field teams in two Tiers
Leagues with 8-11 teams may field teams in two Tiers
Leagues with 7 or less may only field a team in one of the Tiers

3.4 Tier Level Determination
Which “Tiers” leagues send their qualifying teams to will be determined each December at the Football Alberta planning meeting by the Minor Football Committee. Note that leagues may only send one team per tier unless a BYE situation exists at any Tier where a second team from a league will be asked to fill that BYE on a rotating basis from participating leagues. All Tier spots are to be determined via the playoff format in section 3.6.

3.5 League Tiering
Since each leagues playoffs will be used to determine which Tier’s they will send representatives to as per section 3.6 leagues can internally Tier as they wish during the season as long as the parameters of section 3.6 are met to sort out their Provincial representation.

3.6 League Playoff Structure to determine Provincial Participants.
In order to qualify in the Tier’s assigned for them to have representative teams, leagues must follow these prescribed playoff formats:

Leagues sending teams to two Tier’s: A league can determine their schedule and league playoffs as they see fit, however at some point they must come to a point in their playoffs with the top four teams vying for their highest Tier spot in Provincials via single elimination. Below that their lower Tier spot in Provincials
can be sorted out via a playoff of any means as long as the “winning” team in that playoffs is essentially the 5th place team in the league after playoffs.

***In 2018 SAMFA has been granted special permission for one year to have their 4th place team drop down to Tier 3 if they lose their first playoff game against 1st place.

**Leagues with one Tier representative:** These leagues will only have representatives in one tier which will be determined at the Football Alberta planning meeting each December. The will run a playoff to determine their league champion and that team and only that team will advance to provincials that level determined at the Football Alberta Planning Meeting.

**BYE Fillers:** In certain Tier’s a league may be required to send two teams at that level to fill a BYE. In that case the team that loses the “Championship” game that determines a Tier rep for that league will be the team that is asked to fill the BYE. This will rotate yearly amongst the participating league at any Provincial Tier Level as long as the BYE exists.

### 3.7 Special Situations

In the event of special situations arising (i.e. leagues pulling out of provincials at the last minute or league under or overestimating their number of teams at the Planning Meeting) it will be the responsibility of the Technical Director of Football Alberta to set the schedule accordingly circumventing the above policies if necessary.

### 4.0 Scheduling of Games

#### 4.1 Time of Year

Provincial Football Finals in all Tiers will be confirmed at the Football Alberta Planning Meeting each December for the following year. They will be based on the following guidelines:

- **Bantam:** Finals to be contested on the third full weekend in November
- **Pee-Wee:** Finals to be contested on the third full weekend in November

#### 4.2 Saturday Games & Remembrance Day

A request has been put in by the Southern Alberta Minor Football Association to schedule the games that their teams will be competing in Provincially only on Saturdays. This will be honored by all competing leagues unless the league hosting one of their teams is unable to provide a reasonable Saturday timeslot due to unavailability of facilities and/or officials. This will be vetted through the Technical Director of Football Alberta. Friday night games would be considered as an alternative to Sunday games in the case of SAMFA. All other leagues will be subject to availability of appropriate facilities and must be available to play on either the Saturday or Sunday. As well any game(s) scheduled for November 11 (Remembrance Day must have a moment of silence pre-game and cannot start prior to 11:15 a.m. that day.

#### 4.3 Time of Day and Multiple Games

Games are subject to availability of facilities, but in the case that Provincial Playoff Games are able to request times here are the guidelines (see above for Remembrance Day conditions):

- **Single Game:** Should be scheduled for a 1:00 p.m. kickoff
- **Doubleheader:** On a field with lights: 12:00 p.m. and 2:30 p.m.
  On a field without lights: 11:00 a.m. and 1:30 p.m.
- **Tripleheader:** Must be on lighted field: 11:00 a.m., 1:30 p.m., and 4:00 p.m.
4.4 Order of Multiple Games
In the case of multiple games played at a single venue the following guidelines should apply to determine the order of games played that day:

- **Tiering**: If two or more Pee-Wee Games or two or more Bantam Games are scheduled for the same facility then the lowest Tiered game (ie. Tier II or III) would go first with the highest Tiered game scheduled last.

- **Championship vs. Semi-Final**: In the case where Pee-Wee and Bantam games would be scheduled at the same facility on the same day it is likely that the Pee-Wee game is a championship final while the Bantam game is a semi-final. In this case the championship game would be scheduled last as to allow for an appropriate closing ceremony without interference from a following game.

- **Championship and Championship**: In the case where two or more championship games are scheduled for the same facility on the same day the “Tiering” rule (see above) would determine the order of play. In order to facilitate appropriate closing ceremonies for games with scheduled games after them, the teams from the next game may begin their warm-ups during the closing ceremonies as long as they keep within the 30 yard line and in.

- **Conflict with High School Provincials**: In the case of high school provincial games being a part of multiple scheduled games in the same facility on the same day, the high school game shall be the last scheduled game of the day unless one or more of the Minor games is a championship final in which case they would be the last scheduled event of the day. This is subject to the cooperation of the High School Leagues and the pecking order for booking facilities.

5.0 Conducting the Games

5.1 Rules for the Games
The games shall be governed strictly by the most recent edition of the Canadian Amateur Rule Book for Tackle Football (CARBTF). The only exception being at the Pee-Wee level where Rule 3, Section 3, Article 5 regarding Converts following touchdowns, (a) and (b) are switched so that kicking a convert is worth 2 points and scoring a convert via running or passing it past the goal line is only worth 1 point.

5.2 Timing of the Games
All games played in the Football Alberta Minor Provincials will be the duration lined out as per Rule 1, Section 3, Article 1 of the CARBTF modified to the High School level and below consisting of 48 minutes divided into 4 periods of 12 minutes each. They shall be timed as in Rule 1, Section 5, Article 1.

5.3 Official Football
The official football to be used for Provincial Playoffs will be the Wilson TDY and Spalding J5Y Leather or composite football for Bantam. Wilson TDJ and Spalding J5J Leather or composite Football for Pee-Wee. Leagues and teams may continue to use whatever they wish during league play but for the purposes of Provincials the host team must have a good selection (minimum 3) of quality TDY or TDJ leather or composite balls for usage by the officials. Unless Football Alberta provides the game balls separately, as outlined in Rule 1, Section 2, Article 1 the HOME or HOST team will provide the game ball. It would be preferable that 3 balls are provided and the use of ballboys to speed up the game is employed however a minimum of one quality ball from the above list is mandatory. The referee will determine the suitability of said ball(s) and cannot start the game until the officials are satisfied. Only the ball(s) provided by the HOME or HOST team are to be used in the game. No switching of balls for the GUESTS or VISITING team when they are on offense will be tolerated.

5.4 Game Facilities
The game facility must feature a proper lined field as outlined in the CARBTF as well as adequate heated dressing rooms, a scoreboard, and snow clearing capability (pre-game only). The head referee will have the final say on the “safety” of the playing surface should there be icy conditions present. Sideline heaters are recommended once the temperature drops below 0 degrees Celcius and should be provided to both benches. Spotter’s booths and public address systems are also recommended but not mandatory.
5.5 Communication Equipment
Due to the unequal nature of communication equipment usage around the province it is NOT a requirement of the host team to provide this item for the game. Should teams wish to communicate from a Spotters Booth to the sidelines they are on their own and must make their own arrangements. If one team is using such communication equipment and the other is not, it is NOT a requirement that the team using the communication equipment cease using it. Teams are on their own in regards to communication equipment and there is no requirement that both sides be equal during the game in this area.

5.6 Game Video
There is NO requirement for the exchange of video prior to any Minor Provincial game, nor any requirement to film the game and provide copies to both teams after the completion of the game. Should teams wish to set up an exchange on their own they are more than welcome to but Football Alberta will not be involved in any aspect of that including ruling on the quality of said film. Buyer beware!

5.7 House League Rules
No “house league” rules or more restrictive eligibility rules as outlined in Section 2.2 of this PPM will be enforced in any game conducted in the Football Alberta Minor Football Provincials.

5.8 Game Coordinator
One person will be assigned the duty of being the Game Coordinator for each game played in the Football Alberta Minor Football Provincials. This person will ensure the proper conduction of the game and have final say on any questions and will be guided by this PPM. Preferably this person will be a member of the Football Alberta Executive or Board of Directors. In the case that no one from that group is available a designate approved by the Technical Director of Football Alberta will fill that role. This person’s will also host the visiting team from their arrival to their departure and ensure the meal (if any) is provided to them in a timely fashion and that their bench and locker room area are secure from harassment. They must also report the score of the game to the appropriate person within a half hour of the completion of the game and fill out (along with the Head Official) an Incident Report (see Appendix “C”) detailing anything that needs to be dealt with further by the Football Alberta office and have it FAXed to Football Alberta by 8:00 a.m. the following Monday.

5.9 Game Officials
See Section 6.0 to determine how the on-field officials are assigned by Football Alberta. As well the head referee in each contest will work in concert with the Game Coordinator in filling out an Incident Report (should one be warranted) at the completion of the game they are working.

5.10 Minor Officials
See Section 7.0 regarding Host Team or League selection and assignment of Minor Officials which includes the Timers, Yardstick Crews, Ball Boys, Public Address Announcers, etc.. Note: all selected individuals in this category are to assume neutral roles in the game in that they forfeit the right to cheer for the home team or comments otherwise about the visitors or officials. Should they step over the line in the opinion of the Game Coordinator they are to be removed from their duties immediately and the game shall not continue until the host team or league provides an adequate substitute.

5.11 Protests
In the tradition of football it will be understood that game results are final and non-protestable. This includes any “bad calls” or misinterpretation of the rules by the game officials or timing mistakes by the timer. They are all part of the game and shall not be used in a protest to overturn the results of a game. The only exception is in the area of eligibility. If the losing team has specific evidence (i.e. non-anecdotal)
that the winning team used a player or players who is older than the age guidelines of Section 2.1 of this PPM they have within a half hour of the completion of said game to produce such evidence and a $200 bond to the Game Coordinator who will then investigate it immediately and rule within an hour of the protest. Should the evidence prove correct the game results will be overturned and the $200 returned. Should the evidence prove to be incorrect the losing team will forfeit the money and the game results stand.

5.12 Ineligible Players
Should ineligible player(s) be determined at any time other than in Section 5.11 it will be result in a fine against the team in question (See Section 5.13) and removal of player(s) in question but results of the games will not be overturned.

5.13 Failure to Comply
Any blatant failure by the host league to comply with the requirements outlined in Section 5.0 or teams caught with any ineligible players will be subject to a $1000 fine which must be paid prior to the December Planning Meeting. An example of failing to comply would be an inappropriate facility as judged by the officials on-site. If a proven complaint is received in this area then a jury of three Board Members of Football Alberta would be convened to rule on the complaint and assess it accordingly within three days of the game in question. Failure to pay said fine will eliminate that league from further participation in Minor Provincials until the fine is paid.

Should any issues arise prior to hosting a game out of the control of the host league that may jeopardize the leagues ability to comply with Section 5.0 they are to contact the Technical Director immediately to seek his approval of any changes that may contradict Section 5.0. The TD would then be responsible for informing the other league/team and rule on exempting the host league in this particular case should the TD deem it reasonable.

5.14 Misconduct and Suspensions
Any behavior by anyone associated with either team in a Minor Provincial game recorded on the Incident Report (see Appendix “C”) as reported by the Game Coordinator that is felt to be worthy of future suspensions will be dealt with immediately (i.e. no later than the Tuesday at 4:00 p.m. following the game) by a committee made up of the Technical Director, the VP Officials, and VP Programs of Football Alberta. This would involve activities such as abuse of officials or opposition post-game or extreme examples of rough play or unsportsmanlike conduct and would be subject to suspensions from upcoming Minor Provincial games to further suspensions into future regular seasons. A decision on suspensions dealing with future seasons would be ratified at the Planning Meeting if they were appealed by the offending party prior to that. It would be the Technical Director’s responsibility to inform them of their rights.

5.15 Jersey Conflicts
In the event where both teams in any Minor Provincial game have primary colors that are the same then it will be the responsibility of the host team to find alternative jerseys.

6.0 Football Alberta Responsibilities
The Football Alberta office under the direction of the Technical Director will have responsibilities in the following areas:

- Coordinate a Planning Meeting each year in December which will include a session for the Minor Football Committee. This Committee will be made up of representatives from each participating league/association and designated Football Alberta minor representatives. The purpose of the meeting would be to plan the following years playoff structure for the Football Alberta Minor Provincials and deal with any issues from the previous years event.
- Produce a schedule of events for Minor Provincials that will be approved at the Football Alberta A.G.M. the last week of January each year.
- Invoice each league accordingly based on the number of teams entering provincials on the yearly fees as determined by the Minor Football Committee by June 1st of each year with payment due by September 30th.
• Send out the final schedule and hosting/travelling details to all members of the Minor Football Committee and/or League Presidents/Commissioners as well as Football Alberta’s Vice President of Officials by September 30th of each season.
• Ensure collection of the trophies from the previous year’s champions by October 15th of each season.
• Collect the numerical rosters from participating teams by the Tuesday prior to the first week of Minor Provincials and vet them against the rosters submitted for insurance. The discovery of any players missing on the insurance submission should be dealt with prior to game day (i.e. get them signed up and paid on the insurance roster) or the players should be ruled ineligible to participate.
• Through the Vice President of Officials coordinate assignment for all Football Alberta Minor Provincial Games and distribution of the PPM to all host sites and head referees.
• Communicate with the leagues as well as host and visiting teams to troubleshoot any problems in the week prior to any Minor Provincial games.
• Coordinate distribution of Trophies and Medallions to each host site for the final games for all Football Alberta Minor Provincials.
• Coordinate distribution of all Minor Provincial game results to media outlets from across the province within an hour of the completion of the last game on competition days.
• Coordinate distribution of the travel vouchers to eligible teams (see Section 8.0) as determined by the Minor Football Committee by November 30th of each year.
• Assign Game Coordinators for each game played.
• Deal with any issues post-game as detailed in Incident Reports submitted by the Game Coordinators.

7.0 Member League Responsibilities
• Send a representative to the Football Alberta Planning Meeting each December (preferably the President or Commissioner) to bring any issues to the table from the previous year’s event as well as assist in planning the schedule for the following season.
• Ensure that the invoice for Provincials’ participation is fully paid by September 30th of each season.
• Upon completion of their leagues’ championship, submit a numerical roster of all teams who have advanced to Minor Provincials into Football Alberta’s office by the Tuesday following at the latest. Any player not listed on the Membership/Insurance form will be ineligible for provincial play unless dealt with immediately that week.
• In the case of hosted games book and pay for the venue that will be used for the game, and a pre-game practice (should the visiting team request one). The game facility must feature adequate heated dressing rooms, a scoreclock, and snow clearing capability (pre-game only).
• In the case of games where their team(s) are travelling, ensure that their teams are properly booked for transportation and are aware of the subsidies available to them for travel (see Section 8.0)
• Pay for the game officials (minimum 5 at $40.00/person) at the end of the game. Football Alberta will assign the officials out of our office but you will pay for them.
• Provide Minor Officials (i.e. stick crews, timers, p.a. announcers) for the game
• Provide a luncheon (i.e. Sandwiches or pizza and pop) post game for both teams as a gesture of goodwill between leagues.
• Coordinate with the Game Coordinator (see Section 5.8) to report the scores immediately upon the completion of the game to the number provided by the Technical Director.
8.0 Travel Subsidy

8.1 Amount of Subsidy

At all levels of Minor Provincials, Football Alberta will provide a travel voucher for travelling teams for the FINAL Championship games only under the formula below:

- 100 – 300 km: Up to $500
- 301 – 600 km: Up to $1000
- 601 – 1200 km: Up to $2000
- 1201+: Up to $3000

(Note: this is round trip total km’s)

Receipts to be sent in are for busing, meals and hotel if required up to the grant amount.

8.2 Travel Subsidy Claim Procedure

Any travelling team eligible for a travel subsidy must claim it by the end of November in which Provincials are played. This can be done simply by submitting receipts to the Football Alberta office either by mail or email which total to an amount equal to or exceeded the specified voucher (see Section 8.1). There also must be notice of who or what association the subsidy check should be made out to. Failure to submit receipts by the specified time will result in forfeiture of the money.

9.0 Seasons of Play

Season of Play for all Minor Football in the Province to be included in the Minor Provincials Policy and Procedure Manual read as follows:

- **Off-Season:** This includes the months of December, January, and February in their entirety. Teams and association may do all the administrative activities they wish and are also free to host gatherings for their players in whatever venue they wish (i.e. gym nights). Players can attend off-season camps as individuals or whatever indoor team activity their club provides.

- **Spring Season:** This includes the months of March, April, May, and June in their entirety. All teams may do any and all on and off-field activities they wish during this time. This will allow for ample time for the Midget season to take place and all other levels of minor football to run as much or as little spring programming as they wish.

- **Summer Break:** This includes the entire month of July. Teams and associations may continue to do administrative activities during this time (i.e. registrations, equipment handouts), but no formal on or off-field activities for the players will be allowed in equipment or not. Athletes may attend summer football camps (i.e. University of Calgary Summer Football Camp) or Alberta Summer Games/Football Alberta elite program events as individuals but no coach, team, league, or association that is a member of Football Alberta at the minor football level may be the sponsor or organizer of summer camps for the purposes of training their athletes as a team.

- **Fall Season:** Teams and Associations will be allowed to start practices on August 1st of each year. Leagues and Associations will be allowed the flexibility to determine when they can start their regular season and/or pre-season tournaments but it would be recommended that 10 calendar days and at least 6 practices be allowed before any competition between teams takes place. The regular season for all leagues will conclude with their championship games played the first full weekend in November (i.e. both Saturday and Sunday are November dates). This will allow for 14 weeks of league play including playoffs.

- **Provincials:** Provincial play for Pee-Wee and Bantam representative teams will commence the second full weekend in November and will conclude as per the schedule set by the Minor Football Committee and the previous years Planning Meeting.

- **Consequences** for not following the Seasons of Play Guidelines would fall into two categories:
TEAM – if a single team chooses not to follow the Seasons of Play Guidelines they would then forfeit any right to access Football Alberta programs and services. This would include everything from insurance to coaches clinic access to Alberta Summer Games and Bantam Bowls. Their League or Association would be free to choose whether or not they would be allowed to continue in regular season play or not but regardless of their record on the year, should they be allowed to continue, they would not be eligible for Provincials.

LEAGUE or ASSOCIATION – if an entire league or association chooses not to follow the Seasons of Play Guidelines they would suffer the same consequences as in the TEAM section above as a group and none of their representative teams would be eligible for Provincials.

NOTE: In either situation above the discovery of these incidents would have to be proven by evidence provided and would be dealt with on a case by case basis.

10.0 Good Neighbor Policy

The Good Neighbor Policy for all Minor Football in the Province to be included in the Minor Provincials Policy and Procedure Manual read as follows:

The following addition to the Policy and Procedure Manual deals with the situation that arises when, from time to time a new or current minor football team from an area of the Province traditionally served by an existing league elects to join another league for whatever reason. An example in the past would include the Foothills Bantam and Pee-Wee teams from Okotoks joining the Capital District League in the Edmonton area. This new suggested policy is not designed to prevent such moves but only to ensure everyone is properly informed and every effort is made to ensure:

- new teams play in their local areas/leagues in order to keep the cost of participation to a minimum to the parents and players
- existing or new teams that have disagreements with their local leagues need to follow an approved procedure in order to go to a new league

The only power Football Alberta has in these situations is our Provincial Playoffs so here is the Policy: Good Neighbor Policy

Each Minor Football League or Association within Alberta being members in good standing with Football Alberta must adhere to the following when accepting new teams.

If either a new or current team is coming from an area served by existing league or association (i.e. there are teams either in the same community or the team in question is inside the traditional boundaries of an existing league) and elects to join another Minor Football League or Association that is a member in good standing with Football Alberta they must:

- Receive formal written approval from the existing league or association (i.e. League “A”) that they are leaving the existing league or choose not to join the existing league as a new team and request a transfer out of their area to another existing league or association (i.e. League “B”). The application to join an alternative league must be reflected in the minutes of a Board or Executive Meeting of League “A”
- Receive formal written approval from League “B” to join based on submission of the minutes from League “A” allowing the transfer of a team from their traditional area. This must also be reflected in the minutes of a Board or Executive Meeting of League “B”
- Both of these Minutes must be submitted to Football Alberta prior to June 1st of the competition year.

Failure to so will make the team in question ineligible for a period of three years to participate in Football Alberta Minor Provincials should they qualify out of League “B”.

NOTE: This will not prevent a team from joining another league outside the traditional boundaries of a league they are closest if they so choose. It will only effect their ability to progress to Provincials.
Appendix “A”

2019 Football Alberta Minor Provincials

Note: “A” indicates a league’s 1st place team
“A2” indicates a league’s 2nd place team
“B” indicates a league’s 4th or 5th place team

Bantam

Saturday, November 9

Tier I Semi-Finals
Southern Alberta “A” at Capital District “A”
Capital District “A2” at Calgary “A”

Tier II Semi-Finals
Central Alberta “A” at Rangeland “A”
Wheatland “A” at Mighty Peace “A”

Tier III Finals
Calgary “B” at Capital District “B”

Tier IV Finals
Central Alberta “B” at Southern Alberta “B”

Saturday, November 16

Tier I Final – winner Capital District “A2” vs. Calgary “A” hosts

Tier II Final – winner Wheatland “A” vs. Mighty Peace “A”

Peewee

Saturday, November 9

Tier I Final
Capital District “A” at Calgary “A”

Tier II Final
Capital District “B” Calgary “B”

Tier III Final
Central Alberta “A” at Lloydminster “A”
